Back Extension

The Prestige Series Back Extension is durable and easy-to-use which provides an excellent solution for free weight back training. The adjustable hip pads are suitable for users of different sizes. The non-slip foot platform with roller calf catch provides a more comfortable standing, and the angled plane helps the user to activate the back muscles more effectively.

Specifications:

- Dimensions: 1200*960*660mm
- Weight: 55kg
