

Urban Stair Climber with Screen

40cm Screen Display

25 x 55.2cm² Step Area

Speed Range 1 -15

PVC Pedals

Ergonomic Handles

The Urban Stair Climber with Screen delivers a high-performance, low-maintenance cardio solution with features designed for both user comfort and efficiency. Engineered with a silent chain drive system and durable PVC pedals, this machine ensures a smooth, quiet, and rust-free workout experience.

Its compact build supports high container load efficiency, while intuitive design features offer superior user control and comfort. This machine is the perfect choice for users who want to challenge their cardio fitness and build lower body strength in a controlled and comfortable environment.

Product Specifications:
